Vijay Nirman Company Private Limited, a local construction company of repute, has obtained ISO-9001 (2008), ISO-14001 (2004) and OHSAS 18001 (2007) certificates for compliance of quality management system, environmental management system and occupational health and safety management.

The certificates were given away by the Managing Director of Quest International Certification Body B. Karthikeyan to the Chairman and MD of Vijay Nirman S. Vijaya Kumar at a function here on Sunday morning.

On the occasion, Mr. Karthikeyan said Vijay Nirman had set excellent standards in the construction industry and had undertaken and successfully completed many works all over the country.

Dr. Vijaya Kumar he was happy to receive three ISO certificates simultaneously. The company, set up in 1982, could achieve turnover of Rs.842 crores by the end of 2010-11 financial year and during the current fiscal might cross the Rs.1,000 crore mark and go up to Rs.1,100 crores. The company was executing many prestigious projects in various states. These included the ESI hospital project at Sanathnagar in Hyderabad and the GMR outer ring road project in Chennai worth Rs.175 crores.

In many other infrastructure projects, it was taking part as sub-contractor. Lead auditor KSN Prasad and Director of Vijay Nirman Ajay Kumar also spoke.
